Dear Madame:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 13 references to be considered by the Examiner. Also enclosed are 5 foreign patent references and/or non-patent literature as listed on the Information Disclosure Statement.

Reference number 8 identifies a co-pending application assigned to the assignee of this application. Applicants direct the Examiner to the application to consider whether the subject matter claimed, now or as may be amended in the future, as well as the associated prosecution history, now or in the future, may be relevant to the patentability of the present application (e.g., for reasons of obviousness-type double patenting). Applicants believe that the Examiner has access to the application and associated file history through the Patent Office (e.g., the IFW system). Accordingly, Applicants have not provided copies of this application or its associated file history, but would be happy to do so, now or in the future, should the Examiner so request. Copies of the references are not submitted pursuant to 37 C.F.R. § 1.98(d).

This Information Disclosure Statement is being filed within three months of the filing date, with an RCE or before receipt of a first office action after an RCE and no fee is required.
